

Helping You Find Clarity and Confidence on Your Financial Journey

Navigating your financial journey can be challenging, especially with the complexity of today's financial products and services. Our team of dedicated Benefit Counsellors are here to simplify things and offer you unbiased, confidential, and personalised guidance. We'll help you make sense of your options and empower you to make informed decisions for a secure financial future.

Are Any of These Financial Questions on Your Mind?

How does my retirement savings really work?

We simplify and educate you about your fund benefits, empowering you to make informed decisions that help you reach your retirement goals through a better understanding of your insurance and investment options.

How will withdrawing from my savings pot affect me?

If the new Two-Pot system has you questioning your options, let us help you weigh the pros and cons of accessing your savings pot so you can make the best decision for your financial future.

Is my Will a true reflection of what I want for my loved ones after I'm gone?

Make sure your Will covers all your wishes and is legally binding. We can assist you in creating or updating your Will to ensure everything is set up just the way you want it for your family.

Do I fully understand how my healthcare benefits work?

If you're uncertain, we offer guidance on medical aid options, gap cover purchases, and future funding to help you make informed decisions with confidence.

Am I in control of managing my money?

We're here to help make sense of it all with clear, easy-to-understand guidance on financial basics, including general finance, budgeting, saving, debt management, and understanding various financial products and services.

What should I do with my retirement savings if I leave my job?

We can guide you through your options, whether it's transferring your savings to a new fund, leaving it where it is, or cashing it out. We'll help you understand the best choice for your unique situation, ensuring your retirement savings continue to grow and work for you.

Am I ready for retirement?

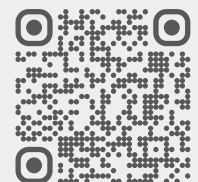

Based on how close you are to retirement, we offer tailored guidance on contributions, consolidating savings, and exploring your retirement choices. If you are nearing retirement, we can help you compare annuity options to ensure you make the best decisions for your future.

Finding a Better Way

NMG Benefits is a financial advisory firm that provides unbiased advice, fosters industry competition, and simplifies complex financial matters. Our global reach, powered by proprietary insights and smart technology, enables us to deliver innovative solutions to our clients and members.
